Court Immaculate Mary #2134 News Angleton-Danbury

Our next meeting will take place on Monday, March 26, 2018 at the **Pregnancy Help Center, 327 Garland Drive, Lake Jackson**. The Pregnancy Help Center has graciously offered to host a meeting for us as we have provided

This week we had the privilege of meeting a small group of young ladies from Illinois. They attend college there and were on Spring Break. They were of different faiths from the Southern Illinois University Newman Catholic Center and Wesley Foundation, a United Methodist campus ministry at the University of Illinois. This small group were here helping a Family that had been flooded by Hurricane Harvey restore their house. They helped with the insulation and mud-

ding of the Dry Wall & etc. They came with buckets in hands needing water because the water was cut off at the residence. The Mount Olive Baptist Church in Dickenson were hosting the group of young people that came from different areas to volunteer throughout the Houston—Galveston area. What an awesome experience for these young adults: To be able to travel, offer their help / ministry, meet different people in situations, see different parts of the country. They got to take Wednesday off and spend the day in Galveston. They were excited to be able to see the "Ocean"! In fact it is snowing in Illinois and they were very grateful to be in Texas! Maybe this is something young adults need to think about being a part of. It will help you grow as an adult to not only think of your own selfish needs, but the needs of those who have lost everything and are without and to hear their stories that they want to share and knowing the appreciation and gratitude that you have achieved. *God Bless these Young Adults and we pray for their safe travels and future.*

financial assistance through our annual Baby Bottle Boomerang project. It's their way to say thank you for the many years of support we have given them. They will provide a dinner for us and will be telling us about the services their center provides. It's a perfect time for us to ask questions and to see the facility that helps so many young mothers through their pregnancy. Social begins at 6:30 and our meeting will begin at 7:00 pm. Please join us for an evening of fun and fellowship and to be a part of service to our Church and community. Membership is open to Catholic women over the age of 18 years. We look forward to seeing you there. Any questions contact Alice Artman at aliceartman@gmail.com
